	B	Done	On or Off	Quit	
Corporate Directory	Find a telephone number			Select	I
	Done		Dial	Quit	
Copy a telephone number to your Personal Directory (M3904)			Select	I	Done
			Dirctry	Quit	

Explanations

Legend	
	Lift the handset, or press a DN key, or press the Headset key, or press the Handsfree key.
	Replace handset, or press to end the call.
	Dial number (see "Remarks", below).
or	Press the feature key or line (DN) key located beside the flashing or solid indicator.

Remarks	
A	The name or number can be edited before continuing.
B	Enter or Edit the name you wish to associate with the number, or Enter the text of your Set-to-Set message, using the dial pad (maximum of 24 characters). Press to select special characters. Press to insert spaces or move to the next character location (if required).
C	Enter or Edit the number you wish to store (maximum of 31 digits). Include access codes for external or toll calls.
D	You may use the dial pad to enter the first letter of the name you are seeking. (e.g. press to go the first entry that begins with the letter "B").
E	Enter the Virtual office Terminal LogoN (VTLN) Flexible Feature Code (FFC).
F	Enter your password.
G	Enter the primary line (DN) assigned to your telephone.
H	Enter the Virtual office Terminal LogoF (VTLF) Flexible Feature Code (FFC).
I	Enter the name of the person you want to call. Enter the last name first. Separate the last name and first name with a comma. The comma is the first character on the key. Press the Resume Key to refine your search.
