

Volunteer opportunity - Artist Logistics crew

The Calgary Folk Music Festival is getting geared up for another 4 days of sun, fun and camaraderie from July 25th - 28th on Prince's Island Park. We want you on our team! CFMF volunteers are ambassadors of the Festival, and make sure that every person has a great experience.

This year we have a new crew we are recruiting for called Artist Logistics. This crew runs out of the Westin and helps with the logistics of artists getting to/from the festival. Great experience for anyone looking to get involved in events, logistics, or just wants to be a part of the community! Find more information below:

Artist Logistics

Description	The Artist Logistics crew is responsible for providing Artist Drivers with information about pickups and dropoffs. They work out of the Westin and dispatch information.
