

## 2024 CIHR Black Scholars Summer Undergraduate Student Research Award (USRA) Program Guidelines

The Office of Research, Scholarship and Community Engagement (ORSCE) is accepting applications for one (1) CIHR Black Scholars Summer Undergraduate Student Research Award (USRA). The CIHR USRA is designed to stimulate undergraduate interest in research in the health sciences.

### Program Details

To help address the disproportionate underfunding of Black scholars at the undergraduate level the Tri-Agencies are continuing the **USRA Black student researcher** funding. This funding will contribute to making Canada’s research culture more equitable, diverse and inclusive; and will strengthen Canada’s innovation potential. Applicants must meet the agency’s [program eligibility criteria](#).

Supervisors must be full-time tenurable or tenured Mount Royal University faculty at the time of application and currently hold a major CIHR grant. Supervisors may only submit one application.

The duration of the award is 14-16 consecutive weeks on a **full time basis** (35 hours a week). There is no possibility of extension beyond the May -August award period.

USRA awards must comply with provincial and/or federal employment standards and meet provincial minimum wage requirements. Awardees will be hired as [Research Assistants](#).

The value of the award will vary based on the duration of the award. The below award calculation is approximate and based on Alberta’s \$17/hr wage. The Provost’s Office will provide the institutional contribution.

Duration (35 hrs/wk)	Award Total (Wages & Benefits)	SSHRC Max Contribution	Institutional Contribution
<b>14 consecutive weeks</b>	\$9,700	\$6,000	\$3,700
<b>15 consecutive weeks</b>	\$10,500	\$6,000	\$4,500
<b>16 consecutive weeks</b>	\$11,200	\$6,000	\$5,200

Application Deadline: **noon March 1st, 2024** (application must be submitted, with transcripts, through the NSERC portal)

Please contact the Office of Research, Scholarship and Community Engagement (ORSCE) for all inquiries related to the program. **Please do not apply to CIHR directly.**

### How to apply

1. Supervisor or student identify each other and a project that they wish to undertake. **Due to the limited allocation, Supervisors must currently hold a major CIHR grant and may only submit one application.**
2. Student and supervisor complete and submit Form 202 parts 1 and 2 through the [NSERC Online Portal](#) by the deadline – **noon March 1, 2024.**
