## Land Acknowledgement

The work of General Faculties Council at Mount Royal University takes place on the traditional territories of the people of the Treaty 7 that includes: the Blackfoot First Nations comprising Siksika, Piikani, and Kainai, the Îyârhe Nakoda Nation, comprising the Chiniki, Bearspaw, and Wesley First Nations; and the Tsuut'ina Nation. This is also home to the Métis Nation of Alberta, Region 3. MRU is located in the City of Calgary, at the confluence of the Bow and Elbow rivers. Historically, the confluence has stood as a creative space where song and story create ties to the land. This is a meeting place, where the sharing of ideas and opportunities naturally come together. We acknowledge that treaties have been broken and other commitments have been ignored entirely. Instead of a future together, what followed was division and discord, defined by genocide, residential schools, intergenerational trauma, economic and social marginalization, and unacceptable educational inequities. As such, we humbly accept our responsibilities of challenging systemic racism and discrimination, decolonizing the university, and building reconciliation.

- e) If required, the closed session will deal with matters that might reasonably engage or disclose confidential financial or personal information about a person or people during the consideration of that item. Such determination by the GFC Executive Committee may not be challenged. The regular minutes will recite only that GFC moved in-camera to discuss an item.

- h) An in-camera session GFC ends with the termination of the meeting or following a Resolution to return to open session.
- i) Notwithstanding the provisions of confidentiality outlined in this section, where the GFC Executive Committee considers it to be in the public interest that such decision be publicly recorded, it may enter into the regular minutes a statement of the decision taken in-camera. Such statements will not indicate the grounds upon which GFC arrived at its decision or the nature of the debate preceding such decision.

- d) A meeting at which quorum is challenged and found to be correct will be deemed adjourned at the time that quorum is challenged.

  - the mover(s);
  - the key considerations, including the rationale;
  - the intended and potential consequences and impacts;
  - the consultation that has been done, where appropriate; and
  - any supporting documentation of the item, where appropriate.
- f) The Chair will provide the request to the GFC Executive Committee at its next meeting for consideration. The GFC Executive Committee will determine whether the request is within the purview of GFC and may:
- add the item/s to a GFC meeting agenda; or
  - request more information from the proposer; or
  - determine that the item should not be brought to GFC.

The decision (and reasons, if any) will be included in the GFC Executive Committee report to GFC.
- h) A matter not on the agenda may be considered at a regular GFC meeting, on a Motion to consider the issue that is supported by two-thirds (2/3) of the Members present. The Member moving the consideration of the matter may briefly explain why the matter should be considered but the Motion to consider the matter will not be debated, unless permitted by the Chair. If approved for inclusion on the agenda, material pertaining to the new business must be sufficiently well prepared for GFC to consider it at the meeting.
- i) To ensure GFC has sufficient time in its meetings to deal with strategic and substantive matters, GFC uses a Consent Agenda format for GFC and Committee meetings. A Consent Agenda is a component of a meeting agenda that enables the group of action and information items that are routine, standard, non-controversial,

and self-explanatory. Should a Member wish to remove an item for discussion and/or vote, the Member may request this prior to or during the discussion of the motion to adopt the Consent Agenda (non-debatable).
