

MINORS OFFERED BY THE FACULTY OF BUSINESS AND COMMUNICATION STUDIES – 2021/2022

All students enrolled in four-year degree programs at Mount Royal University have the option of completing minors in a variety of subject areas offered by different faculties. The Bissett School of Business, the Faculty of Arts, the Faculty of Communication Studies and the Faculty of Science & Technology each offer minors in their respective disciplines.

Please note that each minor varies in the number of courses required for completion (typically between 6-9 courses). Various courses in each minor may also have prerequisites. The successful completion of a minor may require that a student take more than the 40 courses normally required for graduation from a degree program. Courses used to complete program requirements (i.e. core courses and General Education) may also be used to satisfy the minor requirements. Students may declare a maximum of two minors provided that there is no more than 50% crossover in the course requirements (between core and minor or between two minors). Please refer to the Mount Royal University Calendar for details about each minor and prerequisite listings.
