

# MRU 2024 Summer Job Fair - Exhibitor List

## Platinum Sponsor: ECO Canada

### [Eco Canada](#)

Whether you are a young practitioner struggling to find the right job fit, or you are an experienced professional looking to make a change, we have the employment and job funding resources to help you.

Since 1997, we have been helping environmental practitioners acquire meaningful careers. Now, more than ever, Canadians expect corporations, brands and industry to be good environmental citizens. A career working to support environmental best practices along with organizational growth is already commonplace and will continue to increase.

This is why we are committed to providing effective programs that can help you find career success!

### [Ace Vegetation Control Service Ltd.](#)

Ace does not react to a situation with an impulsive solution. ACE will develop a plan for improving sites and right-of-way for the current season and for years to come. We take care of major vegetation challenges like eliminating prohibited and noxious weeds as well as fire and electrical hazards. ACE is proud to serve the oil and gas industry, pipelines, utilities, railways, municipal operations as well as provincial and federal organizations.

### [AGAT Laboratories](#)

AGAT Laboratories is a full-service laboratory with locations across Canada. We are the most diversified laboratory in Canada. Our scientists are highly-skilled and specialized in the fields of biochemistry, chemistry, microbiology, geology, engineering and other specialty services. With a broad range of staff experience and state-of-the-art instrumentation, we provide cross-analytical solutions for several scientific industries.

### [Avayda Pest Control](#)

Avayda was formed by a leadership group that has a combined 50+ years experience in various home service industries and 30+ years running pest control-specific operations. Their vision of creating teams of expert service technicians to take care of your home and family is their top priority. This unique blend of leadership is allowing them to execute and provide opportunities for their employees while at the same time taking care of their customer's pest control needs.

### [Backwoods Resources Inc.](#)

Backwoods Resources specializes in Vegetation Management and IVMP programs to assist various oil and gas companies throughout Alberta and British Columbia to obtain their vegetation management goals.

University First Class Painters has been employing students in Canada for over forty years. We provide valuable experience to our student managers and great summer jobs for our student painters, marketers, and office support staff. We provide full-time summer jobs from April to September and part-time work during the school year.

### [Westside Recreation Centre](#)

Westside Recreation Centre was built by community. In 2000, hundreds of dedicated community volunteers, with the support of generous donors and a capital contribution from the City of Calgary, achieved the dream of building a recreation centre in Calgary's southwest. The commitment and contributions of those supporters resulted in Westside Recreation Centre, a facility that is enjoyed by more than 1.5 million visitors each year. In 2010, Westside conducted its first major expansion to meet its growing youth demographic. This was completed, again, by loyal community members, many dedicated volunteers, generous donors, and with contributions from the Province of Alberta and City of Calgary to provide Westside with new and expanded spaces that will serve its communities for years to come. Westside continues to promote

community through high quality and accessible recreation facilities, programs and services. Since 2000, our employees have been delivering safe, healthy and fun recreation. If you are enthusiastic, professional and would like to be part of a great team, check out our current Job Opportunities. `

### [YMCA Calgary](#)

YMCA Calgary opened its doors in 1902, since then we have evolved into a vibrant charitable organization that responds to the needs and health of the community. Guided by four core values of honesty, caring, respect and responsibility, YMCA Calgary develop and delivers quality programs and services that promote the health of the community and provides opportunities for all Calgarians to belong, grow, thrive and lead. Our team of staff and volunteers are committed to creating a positive impact in the community through our health and wellness programs, child care and early education programs, community outreach programs (such as Indigenous, youth at risk, and cultural integration programs), leadership programs, camp experiences, and much more.
