What is the Adopt-a-Cougar Program?

In 1993, Cougar Athletics introduced the **Adopt-a-Cougar Program** to generate financial assistance for its varsity sports programs.

What is the Adopt-a-Cougar Program for?

Student-athletes make numerous sacrifices over the course of a season in order to compete at the highest level of intercollegiate athletics. The **Adopt-a-Cougar Program** is designed to help support student-athletes' efforts and maintain the standard of excellence of Canada's most successful collegiate athletic program.

Cougar student-athletes are seeking contributions to help cover team-specific expenses which are not covered by existing university budgets.

Funds generated by the Program will be used to enhance the post-secondary experience. Such uses include, but are not limited to, the following:

-  Team Clothing
-  Travel
-  Equipment
-  Event Hosting
-  Scholarships
