

C is for Cougars

Presented by

Mount Royal University Cougar Athletics is continuing to offer an exciting community service program directed towards elementary schools and their students in Calgary for the 2010-2011 school year. For years the Cougars have valued and appreciated the community support we have received, and in 2005 we created an opportunity to give back to the community by introducing a new program whereby schools can benefit from our athletes and their experiences. Now in its 7th year, the 'C' is for Cougars program wants to come to your school!

Your school will have the opportunity to book current Cougar athletes to participate in a reading program for your students. Two Cougar athletes from one of our 10 varsity teams will take an hour and come in and read to a group of students (grades 1-6), answer questions and share experiences, and even participate in class with all the potential 'Future Cougars' at your school!!!

If your school is interested and would like more information or to book a time with our athletes, please fill out the information below and fax this sheet back to Sandra Lamb (403-440-8969), email me at slamb@mtroyal.ca, or call me directly at 403-440-6230 and I would be happy to answer any questions.

Thank you for your consideration and I hope our athletes can share their time and experiences with your students in the near future.

Sincerely,

Sandra Lamb
Community Outreach Coordinator
