

Cougar Athletics - Athlete of the Week (September 12– 18, 2011)

Female - Lesley Oosterhoff

In her second season with the Mount Royal University Cougars, Lesley Oosterhoff is starting to take off.

After scoring two goals in only five games for the Cougars last season, the five-foot-five midfielder from Red Deer has matched last season's goal total in the first three games.

With the Cougars already up 2-0 in Saturday's match, Oosterhoff provided the insurance marker and more, connecting on two goals in the second-half to propel the Cougars to a 4-0 victory over the Lakeland Rustlers.

Originally from Red Deer, AB, Lesley is enrolled in the Bachelor of Applied Business and Entrepreneurship program at MRU.

Congratulations on your performance!

Male - Sean Colvin

Mount Royal University Cougars striker Sean Colvin was a strong performer in helping lead the Cougars to a pair of wins over the weekend.

On Saturday, Sean was all over the field, creating and finishing scoring opportunities as the talented striker netted two goals in a 4-1 win over the Lakeland College Rustlers.

On Sunday, while held scoreless, Sean battled hard and created numerous opportunities as his Cougars went onto defeat the Red Deer Kings 1-0 to extend their team record to a perfect 3-0.

Sean will look to continue his scoring ways when his MRU Cougars take on the Medicine Hat Rattlers and Lethbridge Kodiaks this weekend.

Congratulations Sean!
