

It would be most convenient to arrive at the University via Richardson Way S.W. and enter the University on the west side of the building.

For best proximity to our office upon arrival, I would suggest that you enter the University through the main "West Gate Entrance" (as opposed to the smaller Recreation Entrance which is also on the west side of the University) which you can see on the map this link takes you to.

Once inside the West Gate, you will see Campus Security immediately to your left.

Take the very first right - this is Roy V. Deyell Hall. Go down to the end (not very far), and you will see a set of doors. Pass through them, and go up the stairs. When you reach the top, go through the doors that are there, and turn left. Go down the hall and you will see our office, Room Y322, just ahead on your right. It is a large glassed-in office area.
