

MOUNT ROYAL COLLEGE

2007-2008

TUITION FEE SCHEDULE

March 2007

The Tuition fee tables for 2007/2008 are attached and provide an outline of the Board of Governors approved fees for this Academic year.

Under the Government of Alberta's Tuition Fee Policy legislation and regulations, the College is required to publish an estimate of the subsequent three years tuition fee increases (2008/09 to 2010/11). The Board of Governors has approved for planning/forecasting purposes an estimated increase of 3.5% per year for the following three academic years. Students can utilize the 3.5% annual increase to estimate future tuition. Actual increases each academic year will be approved annually by the Board of Governors consistent with the Government of Alberta's tuition fee policy legislation and regulations. The 3.5% estimated annual increase is for planning purposes only.

The Co-operative Education fee of \$475 for 2007/08 has been approved by the Board of Governors. The Co-operative Education fee as is printed in the Mount Royal College Calendar for 2007/08 did not reflect the most recently approved fee.

Bachelor of Nursing fees – The new Mount Royal College (MRC) Bachelor of Nursing (BN) program was approved by Advanced Education and Technology for implementation commencing in the Fall of 2007. This is Mount Royal College's first Bachelor's degree program. The Board of Governors has approved a supplemental per course program fee of \$190 per course for all students enrolled in the MRC BN program. The fee is assessed per course based upon the actual number of courses the BN student is enrolled in. This fee is a supplemental fee over and above the base per credit tuition fees as outlined in the tuition fee tables attached.

Fees assessed and collected by Mount Royal College on behalf of the Students' Association of Mount Royal College (SAMRC) – As a result of the SAMRC referendum on the U-PASS, the U-PASS fees assessed to full-time credit students will be increased to \$95 per semester beginning in the Fall of 2007. The Student's Association fee schedule for 2007/2008 is attached. Any questions and concerns relating to the U-PASS, or any other fees assessed and collected on behalf of the Students' Association, should be directed to the SAMRC offices at 440-6401 or by accessing the SAMRC website at www.samrc.com.

Please also refer to pages 24 through 27 of the 2007-2008 Mount Royal College Calendar to obtain a detailed description of the fees assessed to students.

The payment of all fees and deposits is mandatory. The fees as stated are correct at the time of publication. The Board of Governors reserves the right to change fees and deposits when necessary without notice.

The payment of all fees and deposits is compulsory. The fees as stated are correct at the time of publication. The Board of Governors reserves the right to change fees and deposits when necessary without notice.

1. The initial credit fee of \$79.25 (\$178.40 International Students) is in addition to the cost per credit. (refer to examples below)
2. Co-op students on work-terms will be assessed Students' Association fees at the 9-credit level.
3. The Students' Association Health & Dental Plan fees and Reflector fee will apply to Fall and Winter semesters only.
4. The Health and Dental Fee is charged to cover insurance premiums for the student health and dental plan. You may opt out of this fee if you have comparable insurance coverage through another source by visiting the Student Health Network office in Wyckham House during the first three weeks of the fall semester. You may activate your coverage by visiting the Student Health Network office in Wyckham House between 8:30 a.m. and 4:30 p.m., Monday to Friday, during the school year. Both the opt-out and the activation forms are also available on-line for your convenience at samrc.com.
5. The Reflector Fee is collected by the Students' Association through an agreement with the Reflector – the autonomous student newspaper on campus.

How to calculate assessed tuition fees for 2006 - 2007:

- Eg. 1 5 credits (1000 or 2000 level) = \$480.25 + Initial Credit Fee \$79.25 = \$559.50 Total Tuition Fees
 Eg. 2 5 credits (3000+ level) = \$556.60 + Initial Credit Fee \$79.25 = \$635.85 Total Tuition Fees
 Eg. 3 3 credits (1000 or 2000 level) and 3 credits (3000+ level) = \$288.15 + \$333.90 + Initial Credit Fee \$79.25 = \$701.30 Total Tuition Fee
