

**Academic Programs and Curriculum Committee (APCC) Annual Plan for General Faculties Council
2022-2023**

DATE: November 4, 2022

SUBMITTED BY: Peter Choate, Chair of APCC

PRIORITIZED SUMMARY OF PROJECTED ACTIVITIES AND OUTCOMES

1. APCC has been engaged in the conversation for the 3 credit (or equivalent) Indigenous content requirement. APCC is not the only voice and is cognizant that the GFC committee on Indigenization and Decolonization will need to enter this conversation once the committee is formed. In the meantime, APCC will continue to explore options.
2. Work Integrated Learning (WIL) is another item that has been on the APCC agenda for some time as various places within the university engage this in curriculum development. APCC is examining the various ways in which this can look as well as its linkage to accreditation requirements in various programs.
3. We are also working on updating the Programs Definition Policy.
