All students enrolled in four-year degree programs at Mount Royal University have the option of completing minors in a variety of subject areas offered by different faculties. The Bissett School of Business, the Faculty of Arts, the Faculty of Communication Studies and the Faculty of Science & Technology each offer minors in their respective disciplines.

Please note that each minor varies in the number of courses required for completion (typically between 6-9 courses). Various courses in each minor may also have prerequisites. The successful completion of a minor may require that a student take more than the 40 courses normally required for graduation from a degree program. Courses used to complete program requirements (i.e. core courses and General Education) may also be used to satisfy the minor requirements. Students may declare a maximum of two minors provided that there is no more than 50% crossover in the course requirements (between core and minor or between two minors). Please refer to the Mount Royal University Calendar for details about each minor and prerequisite listings.

### MINORS OFFERED BY THE FACULTY OF BUSINESS AND COMMUNICATION STUDIES – 2021/2022

Where applicable, General Education designations are listed in brackets. Students in the BBA may not typically use core courses to fulfill GNED requirements. In the event of discrepancies between this information and the academic calendar, the academic calendar is deemed correct.
