- MGMT 5333 - Strategic Management

MAJOR REQUIREMENTS
- HRES 4407 - Transition Management
- HRES 5101 - Strategic Human Resource Management
- HRES Option #2

GENERAL EDUCATION REQUIREMENTS
- GNED Tier 3
- GNED Tier 3
- GNED Tier 3

ELECTIVES
- Elective #3
- Elective #4

YEAR 4

Please note: Many courses have prerequisites. All students are responsible to ensure that they have the appropriate prerequisites before enrolling in their courses. Please refer to the Mount Royal University Calendar for prerequisite listings. Every effort is made to ensure this document is up-to-date, but in the event of a discrepancy between this degree checklist and the academic calendar, the academic calendar is deemed correct.

FALL 2020 CALENDAR YEAR
Planning your Human Resources Major coursework

The chart above illustrates the courses required to complete the major in Human Resources taking into consideration course prerequisites.

### BBA Terminology

The BBA is made up of:
- **16 core** courses (that all BBA students must take)
- **10 major** courses (dependent on the major/concentration you choose)
- **10 General Education** courses (the breadth of your degree)
- **4 elective** courses (courses of your choice, but could include BBA minor or Honours coursework, exploratory coursework to help you choose your major, further coursework in your intended field, international exchange courses, and field school opportunities)

**What are...**

- **Pre-requisites** - courses that must successfully be completed PRIOR to taking a higher-level course (i.e. ACCT 2121 is a pre-requisite for ACCT 3224).
- **Co-requisites** - courses that can be taken concurrently with other coursework (i.e. LSCM 3403 is a pre or co-requisite for MGMT 5333).
- **Recommended preparation** - where having prior coursework in the subject may prove beneficial to students, but is not required for higher-level courses.

### Advice from your Advisors

- Consider a balanced approach when picking your courses
  - Take core, major, general education and elective courses each semester.
  - Consider your personal strengths and weaknesses when picking courses to achieve a reasonable course load and workload.
  - Keep in mind your commitments outside of the classroom (work, student clubs, volunteering, etc.) when determining your schedule of courses.
  - Communicate any difficulties that you are having with your professor - the earlier you identify any issues, the earlier you can address them!
  - If you aren’t sure what to major in, use your electives to explore areas of interest - the earlier you do this, the earlier you can declare your major and plan the rest of your degree.
  - The majority of core BBA courses are offered in the Fall, Winter and Spring semesters - but major specific courses may only be offered once per year or only in the Fall and Winter. Consult with your Advisor if you have questions.

### Outside the Classroom - Things to Consider

#### FIRST YEAR
- Explore major/minor/concentration options
- Apply for Co-operative Education
- Attend Career Services workshops
- Attend Student Learning Services workshops
- Take advantage of a free MRU Recreation membership
- Attend Majors/Minors Fair

#### SECOND YEAR
- Declare a major/minor/concentration
- Explore BBA Honours program
- Join Bissett and SAMRU clubs
- Meet with your Academic Advisor
- Use mruGradU8 to stay on track
- Sign up for the Student Job Board to secure relevant summer work experience
- Visit the Slate Innovation Lab and the Trico Changemakers Studio

#### THIRD YEAR
- Explore volunteer opportunities
- Go to workshops, panel discussions and conferences
- Explore mentorship opportunities
- Explore international exchange, field school and summer exchange opportunities
- Apply for BBA Honours program
- Check in with your Academic Advisor to make sure you’re on track

#### FOURTH YEAR
- Apply to graduate
- Explore graduate degree and post-graduate opportunities
- Research options for post-graduate designations and continuing education
- Request a critique of your resume with Career Services via email
- Consider various research opportunities, including taking a directed readings course
