*If an MRU course equivalency (university level) is awarded as shown in this chart, the course may be used as a high school equivalent course as noted in the MRU Group A or B column.

Note: 1xxx = Junior Level Unspecified

Applicants who successfully complete AP courses with a minimum grade of '3' may use applicable AP courses for the purpose of admission and transfer credit. Where an applicant presents both an AP course and the corresponding Grade 12 course, the higher grade will be used.

Score = Grade: if used as a high school course equivalent

5 = 96% – May be used to satisfy high school Group A, B, or C course and university level coursework

4 = 86% – May be used to satisfy high school Group A, B, or C course and university level coursework

3 = 76% – May be used to satisfy high school Group A, B, or C course and university level coursework

2 = 65% – May be used as a high school equivalent only – Group A, B or C
