\$ _____	- \$ _____	= \$ _____
(total yearly expenses)	(total yearly resources)	(unmet financial need)

* Utilities includes heat, water, sewer, telephone and internet

** The U-Pass is included in tuition fees. This pass allows students to use Calgary Transit buses and the C-Train.

*** This refers to medical and dental costs not covered by insurance. All students are covered by the SAMRC medical and dental plan. The cost of this insurance is included in tuition.

* Sponsorship generally refers to Indian and Northern Affairs/band funding. Some carded national amateur athletes and students receiving financial assistance from an employer or private organization may also be sponsored.
