

# STUDENT LEADERSHIP OPPORTUNITIES

## MOUNT ROYAL UNIVERSITY

### International Student Support Centre Volunteer

The International Student Support Centre (ISSC) at MRU provides a vibrant space for students from all backgrounds to meet other MRU students as well as students studying on exchange. The ISSC is staffed by student leaders and volunteers who can provide information, support, and peer-driven programs that connect international and domestic students. The ISSC team plans and creates opportunities for students to participate in fun and engaging social and cultural activities, and provides a space for students to gather to practice language, study, meet new people, and learn from each other.

### RESPONSIBILITIES

1. Be the face of International Education in the International Student Support Centre (ISSC) by being engaged and knowledgeable about inquiries regarding International Education programming and campus resources
2. Assist students (international and Canadian) in locating and referring to appropriate supports on- and off-campus
3. Be an active member in one of three committees (Social & Cultural Events, ISSC Programming, Outreach & Promotions)

### QUALIFICATIONS AND REQUIREMENTS:

1. Attend and participate in group training
2. Able to work as a part of a dynamic team as well as independently
3. Passionate about international education and helping others while building a globally-minded community on campus
4. Time commitment is scheduled 2 hour per week shift + active involvement in committee and committee work during both the Fall and Winter semesters

### BENEFITS:

1. Access to unique opportunities on campus
2. Opportunity to be nominated for an International Education scholarship
3. Be immersed with a diverse group of staff and students at MRU while gaining valuable professional experience

4. Receive training and learn key competencies such as professionalism, public speaking and working with diverse populations

## APPLICATION PROCESS/TIMELINE

Students can apply [here](#) by April 1<sup>st</sup>, 2019.
