3. Access to shared office etc. - access to shared office, travel throughout Alberta, Northeastern British Columbia and the territories
4. Financial awards/compensation - \$12.00 per hour

APPLICATION PROCESS/TIMELINE

There is a strong focus on recruiting students in the spring time to prepare and train them for youth engagements throughout the summer and to engage in recruitment fairs and activities for high school students in the fall and winter semester. However, if a position becomes available throughout the year applications are taken until a suitable candidate is found. Once an application is submitted and interviewees are selected an interview with a committee is held and a presentation is required detailing their student experience.
