what to do in an EMERGENCY

HOW TO INSTALL THE WHAT TO DO IN AN EMERGENCY E-BOOKLET AS AN APP ON YOUR DEVICE

iPhone/iPad (Safari)

1. Open the booklet link in Safari.
2. Tap the Share icon. Choose Add to Home Screen → Add.
3. The "What to do in an EMERGENCY" booklet icon appears on your Home Screen. (Apple Support Community)

Android (Chrome)

1. Open the booklet link in Chrome.
2. Tap ⋮ (menu) → Add to Home screen (or Install app).
3. Rename to "What to do in an EMERGENCY" if you wish → Add/Install. (Google Help)

Windows or Mac (Google Chrome)

1. Open the booklet link in Chrome.
2. Click ⋮ → Cast, save, and share → Install page as app (or click the Install icon in the address bar) → Install.
3. Pin it to your taskbar/dock for quick access. (Google Help)

Windows (Microsoft Edge)

1. Open the booklet link in Edge.
2. Click ⋮ → Apps → Install this site as an app → Install.
3. Pin to Start or the taskbar. (Microsoft Support)

Mac (Safari – macOS Sonoma or later)

1. Open the booklet link in Safari.
2. Go to File → Add to Dock → Add.
3. Launch from the Dock like any app. (Apple Support)
