

Extension of Travel Insurance

Your travel benefit is limited to 60 consecutive days out of Canada. If you will be out of country longer you must apply for an extension of coverage. Complete the 'Request to Continue Group Coverage' form and return it to benefits@mtroyal.ca. We will send it off to Sun Life and let you know whether or not you have approval. In order to have your approval in a timely manner please send in the request at least 30 days prior to travel.
