

All students enrolled in four-year degree programs at Mount Royal University have the option of completing minors in a variety of subject areas offered by different faculties. The Bissett School of Business, the Faculty of Arts, the Faculty of Communication Studies and the Faculty of Science & Technology each offer minors in their respective disciplines.

Please note that each minor varies in the number of courses required for completion (typically between 6-9 courses). Various courses in each minor may also have prerequisites. The successful completion of a minor may require that a student take more than the 40 courses normally required for graduation from a degree program. Courses used to complete program requirements (i.e. core courses and General Education) may also be used to satisfy the minor requirements. Students may declare a maximum of two minors provided that there is no more than 50% crossover in the course requirements (between core and minor or between two minors). Please refer to the Mount Royal University Calendar for details about each minor and prerequisite listings.

Accounting

Required four (4) courses:

- ACCT 2121 – Financial Accounting Concepts
- ACCT 3220 – Financial Accounting Principles
- ACCT 3221 – Intermediate Financial Accounting I
- ACCT 3224 – Management Accounting I

Plus any two (2) of the following:

- ACCT 3227 – Oil and Gas Accounting
