Institute for Innovation and Entrepreneurship

Launched in 2012, the Institute builds on the rich history of Mount Royal University's award-winning entrepreneurship program. The Institute's vision is to graduate the most entrepreneurial minds in Canada, and achieve that by:

- Delivering the highest quality instruction, highlighted by innovative experiential learning
- Providing students with opportunities and resources to exercise their entrepreneurial minds outside of the
- Thoughtfully engaging the broader community in the education of our students
- Creating a physical space that fosters creativity, collaboration and innovation
- Advancing the scholarship of teaching and learning of innovation and entrepreneurship

The Institute is home to Slate - the minds, projects and startups of MRUs brightest entrepreneurial students. With 1400 ft² of whiteboards, breakout rooms, and collaborative space, Slate has become the hub for MRUs most innovative students.

For more information on the Institute, check out www.mtroyal.ca/innovate.

BBA Terminology

The BBA is made up of:

- 16 core courses (that all BBA students must take)
- 10 major courses (dependent on the major/concentration you choose)
- **10 General Education** courses (the breadth of your degree)
- 4 elective courses (courses of your choice, but could include BBA minor or Honours coursework, exploratory coursework to help you choose your major, further coursework in your intended field, international exchange courses, and field tschool opportu-

Pre-requisites - courses that must successfully be completed PRIOR to taking a higher-level course (i.e. ACCT 2121 is a pre-requisite for

Co-requisites - courses that can be taken concurrently with other coursework (i.e. LSCM 3403 is a pre or co-requisite for MGMT 5333). **Recommended preparation** - where having prior coursework in the subject may prove beneficial to students, but is not required for high-

Advice from your Advisors

- Consider a balanced approach when picking your courses
 - Take core, major, general education and elective courses each semester.
 - Consider your personal strengths and weaknesses when picking courses to achieve a reasonable courseload and workload.
 - Keep in mind your commitments outside of the classroom (work, student clubs, volunteering, etc.) when determining your schedule of
- Communicate any difficulties that you are having with your professor-the earlier you identify any issues, the earlier you can address them!
- If you aren't sure what to major in, use your electives to explore areas of interest - the earlier you do this, the earlier you can declare your major and plan the rest of your degree.
- The majority of core BBA courses are offered in the Fall, Winter and Spring semesters - but major specific courses may only be offered once per year or only in the Fall and Winter. Consult with your Advisor if you have questions.

Outside the Classroom - Things to Consider

FIRST YEAR

SECOND YEAR

THIRD YEAR

FOURTH YEAR

Courses include common first-year introductory business courses and General Education courses

Explore major/minor/concentration options Apply for Co-operative Education Attend Career Services workshops

Attend Student Learning Services workshops Take advantage of a free MRU Recreation

membership Attend Majors/Minors Fair

Coursework expands on foundation business courses

and introduces students to specific areas of specialization in the BBA.

Declare a major/minor/concentration

Explore BBA Honours program Join Bissett and SAMRU clubs

Meet with your Academic Advisor

Use mruGradU8 to stay on track

Sign up for the Student Job Board to secure relevant summer work experience

Visit the Slate Innovation Lab and the Trico Changemakers Studio

Courses focus on specific major/minor/concentration requirements and electives

Explore volunteer opportunities Go to workshops, panel discussions and conferences

Explore mentorship opportunities

Explore international exchange, field school and summer exchange opportunities

Apply for BBA Honours program

Check in with your Academic Advisor to make sure you're on track

Courses include capstone business and major specific requirements, requiring students to apply the knowledge they've gained at MRU. Apply to graduate

Explore graduate degree and post-graduate opportunities

Research options for post-graduate designations and continuing education

Request a critique of your resume with Career Services via email

Consider various research opportunities, including taking a directed readings course
