Project Title*: Encampments on Campus: Pro-Palestinian Occupations at Canadian Universities*

1.1 Project Summary

This project examines the ongoing pro-Palestinian encampments at Canadian university campuses from a social movement perspective, seeking to understand the demands and their framing; internal organizational structures and operations; response from university administrators and state authorities; and outcomes. The goal is to understand how and why students are engaging in activism and what, if any, results they achieve.

1.2 Student involvement

3

1.3 Dissemination and Knowledge Mobilization

Monograph/podcast series, Student Power: Canadian Student Movements From the Sixties to Today Presentation to MRU community (Contextualizing Palestine)

1.4 Project Outcomes and Impacts

This project provided important information on the student encampments and provide the basis for further research/examination.
