Issued by Occupational Health and Safety

The *Alberta Occupational Health and Safety Act* requires that orders issued be brought to the attention of all affected workers at the work site as soon as the orders have been received and posted for so long as the orders remain in effect.

Section 45 of the *Occupational Health and Safety Act* allows for orders and some decisions to be appealed. Visit [Occupational Health and Safety](#) or call 1-866-415-8690 for more information. The initiation of an appeal does not suspend the order or decision unless a stay is granted. Requests for an appeal must be initiated within 30 days of the initial date of service.

Government of Alberta is committed to ensuring that the OHS Code is regularly reviewed and updated to address health and safety in modern workplaces. For more information on the OHS Code updates, visit alberta.ca/ohs-code-review.aspx or email sfwimploffice@gov.ab.ca.
