### Study Abroad

Students are strongly encouraged to participate in a study semester at a university in a Spanish-speaking country. Contact the Spanish advisor for details.

### Placement Test

Students must begin their Spanish degree in the appropriate level for their ability in the Spanish language. This is not always SPAN 1103 as outlined in the course listing. Contact the Department of Languages and Cultures at 403-440-6528, between August 15 and the first day of classes to schedule a placement test.

Prior to August 15th students should register in the level of Spanish they believe they are qualified for. For example if Spanish 30 (Grade 12) is the highest level completed and no Spanish is spoken at home, register in SPAN 1103. If Spanish is spoken at home, register in SPAN 2211.

- Spanish courses are available in Hispanic Literatures and Cultures, Teaching Spanish as a Second Language, Translation and Business Spanish. Consult the Spanish advisor to select the best combination of courses for your area of interest.
- Only 16 courses can be at the junior/first-year level (1000).
- 32 courses must be from the Faculties of Arts or Science or be designated General Education courses.
- Use this planning guide in coordination with mruGradU8. Save a copy of the audit every term prior to registering for classes.
- If interested in a minor or a double major seek academic advising from the Spanish advisor.

If there are discrepancies between information on this program planning page and the academic calendar, the academic calendar is deemed correct. Updated June 2016
