

This creative work was created to engage the community to not only start a conversation about the action that needs to be taken to create better spaces for grassroots groups in the system of care in Calgary but also to inspire those working in the space and to show that they are all working together, as funders, community, agency partners, and grassroots groups.

If anyone desires a wish to come true, they must first capture a butterfly and whisper that wish to it.

Since a butterfly can make no sound, the butterfly can not reveal the wish to anyone but the Great Spirit, who hears and sees all.

In gratitude for giving the beautiful butterfly its freedom, the Great Spirit always grants the wish.

So, according to legend, by making a wish and giving the butterfly its freedom, the wish will be taken to the heavens and be granted.
